STAT

Dear Wally:

I very much appreciate your note of January 14 and want you to know that there are a great many of us around here who will miss seeing you in Washington as often as we have had the opportunity to do so in the past.

I hope that I will personally have the occasion to see you from time to time in the future and, in the meantime, my congratulations on the great skill with which you handled the

STAT

during our many long sessions.

With every best wish for the future,

Faithfully yours,
